NRO REVIEW COMPLETED

24 January 1962

MEMORANDUM FOR: Chairman, COMOR

SUBJECT : [ ] Security Manual

1. Various suggestions were made at the 18 January 1962 meeting of the COMOR for the consideration of the Security Office, DPD, in implementing the procedures set out in the [ ] Security Manual.

2. These suggestions highlight the problems of the individual member agencies and indicate the necessity for the undersigned's direct contact with them. Such contact is planned for the near future with regard to the requirements for electrical communication of [ ] information.

3. It would be appreciated if you would instruct the members of the COMOR during the interim period to take the following steps toward the implementation of the [ ] Security System:

a. Furnish the [ ] CIA by 1 February 1962 the locations and addresses of their Headquarters [ ] Control Centers [ ] and the names of their [ ] Control Officers [ ] and [ ] Security Officers [ ] (It is presumed that, except in the case of the USAF and unless extraordinary factors exist, these [ ] will be identical to those within the product distribution structure.)

b. Furnish the [ ] CIA by 1 February 1962 their requirements for additional manuals, project briefing booklets and oaths, cover sheets, rubber stamps, etc.

c. Furnish by 8 February 1962 to [ ] CIA the names, locations, and addresses of their respective [ ] in the XI and abroad who answer in line of command to their Headquarters and identify the specific program(s) in which these centers are involved.

d. Advise by 8 February 1962 [ ] CIA of their requirements for the above-mentioned materials in order to implement [ ] in the field.

e. Furnish [ ] CIA by 23 February 1962 a progress report indicating the degree to which the [ ] Security System has been effected throughout their respective commands.

4. It is further requested that you advise the member agencies that during all future security indoctrinations for [ ] projects the briefing officer [ ] in addition to having the individual read the required project security indoctrination statement and execute the required security oath, should advise the individual that the project is subject to [ ] Security System.

5. In view of the fact that the Department of the Air Force jointly participates in the operation of these [ ] projects and consequently has unique problems, a separate communication will be directed to that Department with regard to the implementation of this System.
